Do that by making a sales page for the brand new ebook, but do not embrace a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with completely different costs on every page. Make certain your sales copy is exactly the identical on

every page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum value is.
