An efficient technique for figuring out a value is to send out a survey to your current customers. Do that by making a sales page for the brand new ebook, but don't include a worth on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is exactly the similar on each web page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum worth is.
