price. Do this by making a sales page for the brand new e book, however don't embrace a value on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out costs by making a number of duplicate gross sales pages with different costs on each page. Be certain your sales copy is exactly the identical on every page, and consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum worth is.

Finally, when you've written a e book that solves a drawback or presents a new method, your e-book will usher in each site visitors and profits.
