As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by making a variety of duplicate gross sales pages with different costs on every page. Be certain your gross sales copy is strictly the same on each page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum value is.

Finally, in case you've written a ebook that solves a drawback or presents a new method, your guide will herald each traffic and profits.
