If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the brand new ebook, but don't embrace a worth on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with totally different prices on each page. Ensure that your gross sales copy is strictly the same on each web page, and contains your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum price is.

Ultimately, when you've written a e-book that solves a problem or presents a new approach, your ebook will herald both site visitors and profits.
