Do this by creating a gross sales web page for the brand new book, but do not embody a value on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Be sure your gross sales copy is precisely the similar on

every page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum worth is.
