and the advantages your book can provide. Then make sure you use that sentence in every piece of gross sales and promotional materials, and each time anyone asks you about your ebook.

Apart from selling your books assiduously on-line, there are several other methods that may show you how to promote extra books.

An efficient method for figuring out a value is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do this by making a gross sales web page for the brand new guide, but do not include a worth on that page. Another technique is to test out prices by creating a number of duplicate sales pages with different prices on each page. Be sure your gross sales copy is precisely the identical on every web page, and includes your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum worth is.
