An efficient approach for determining a value is to send out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion by way of price. Do that by making a gross sales page for the brand new guide, but don't embody a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Make certain your sales copy is exactly the same on every page, and contains your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum worth is.
