If these clients have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the brand new guide, but do not embrace a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with totally different prices on each page. Make sure that your gross sales copy is exactly the similar

on every web page, and includes your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum price is.

Ultimately, should you've written a e book that solves a drawback or presents a new technique, your ebook will usher in each site visitors and profits. So make sure you write that promoting-handle sentence that sums up what downside your e book solves and what the advantages of your 1610 ebook might be to the customers who buy it.
