An effective technique for determining a value is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new e-book, but don't embody a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with completely different prices on each page. Ensure your sales copy is precisely the same on each web page, and

consists of your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum value is.

Ultimately, in the event you've written a guide that solves a downside or presents a brand new approach, your e-book will herald each site visitors and profits.
