Do that by creating a sales web page for the brand new guide, but don't embrace a value on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with different costs on every page. Be sure that your gross sales copy is precisely the identical on

every web page, and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum value is.

Finally, when you've written a e book that solves a problem or presents a new technique, your guide will usher in each site visitors and profits.
