If these clients have already bought an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the brand new book, however do not include a worth on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with completely different prices on each page. Be sure your sales copy is strictly the same on every

page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum worth is.

Ultimately, for those who've written a e book that solves a downside or presents a brand new technique, your ebook will bring in both traffic and profits.
