The key that unlocks the gross sales potential of your e-book is to discover a single sentence that turns into your selling handle. An efficient approach for determining a price is to send out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do this by making a gross sales page for the brand new book, but don't embrace a price on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Make sure that your gross sales copy is exactly the

identical on each page, and consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum worth is.

Ultimately, when you've written a guide that solves a downside or presents a new method, your e-book will herald both visitors and profits.
