As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out prices by making a number of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is strictly the same on each

web page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum value is.

Finally, if you happen to've written a e book that solves a problem or presents a new technique, your guide will herald each visitors and profits. So be sure you write that selling-handle sentence that sums up what downside your book solves and what the advantages of your 2292 e book shall be to the purchasers who purchase it.
