Do that by making a gross sales web page for the brand new e-book, however don't embody a price on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with

different costs on every page. Be certain your gross sales copy is strictly the identical on each page, and includes your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum price is.

In the end, if you happen to've written a e book that solves a downside or presents a new method, your book will usher in both site visitors and profits.
