If these clients have already purchased an e-book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the new guide, but do not include a value on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out prices by making a variety of duplicate sales pages with different costs on each page. Ensure that your sales copy is strictly the same on every web page, and consists

of your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum worth is.
