In case your e-book solves a problem or answers questions in a brand new and distinctive method, you need to value your guide as excessive as you may go. Understand that the above pricing strategy is temporary. Ultimately, you will stop to promote books at this high price. So determine prematurely how lengthy you plan to offer your e-book at this excessive price, and when that point is up, change your pricing strategy.

If you wish to see massive income over buyer draw, aim for an audience that's on the lookout for simple options to their problems at a low price. In case your guide is aimed at fixing one particular problem quite than general advice, then you'll be able to charge more. Start at the highest price the market will bear to bring in the largest earnings, and plan to low cost the guide a variety of instances throughout the year.
