If you want to see giant profits over customer draw, purpose for an audience that is looking for straightforward options to their problems at a low price. Do that by creating a sales web page for the new ebook, but don't embrace a value on that page. Instead, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Be certain that your sales copy is strictly the identical on

each web page, and consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum worth is.
