If these customers have already purchased an book from you, ask for his or her opinion by way of price. Do this by creating a gross sales page for the brand new guide, however don't include a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to test out costs by making a number of duplicate gross sales pages with totally different costs on every page. Make sure that your sales copy is strictly the identical on each

page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum value is.

In the end, in case you've written a book that solves a downside or presents a new technique, your e-book will usher in each visitors and profits.
