Do this by making a gross sales web page for the new ebook, however do not embrace a price on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with completely different costs on every page. Be certain your sales copy is exactly the same on every web page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This will tell you what your optimum worth is.

Finally, if you happen to've written a e-book that solves a downside or presents a brand new technique, your book will usher in both site visitors and profits.
