An efficient method for figuring out a worth is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion by way of price. Do that by making a gross sales web page for the brand new e-book, however don't embody a price on that page. As an alternative, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Be certain that your sales copy is precisely the similar on each page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum value is.

Ultimately, in the event you've written a e-book that solves a drawback or presents a new method, your e book will bring in each site visitors and profits.
