Then you'll want to use that sentence in every piece of sales and promotional material, and each time anyone asks you about your ebook.

Besides selling your books assiduously online, there are several different methods that can help you sell extra books.

One is to present one thing away totally free along with your ebook, corresponding to a invaluable bonus item. Or bundle a number of ebooks underneath one value, which lowers the value for each e book if they were sold separately.

An effective approach for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the new e book, but do not embrace a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with different prices on every page. Make sure that your gross sales copy is exactly the identical on each web

page, and consists of your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum price is.

Finally, for those who've written a book that solves a problem or presents a brand new approach, your e-book will bring in each site visitors and profits. So be sure to write that promoting-handle sentence that sums up what downside your ebook solves and what the advantages of your 536 e book will likely be to the purchasers who purchase it.
