If these customers have already purchased an book from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the new ebook, however do not embody a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Make sure that your sales copy is exactly the identical on every page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This will let you know what your optimum price is.
