Do this by creating a sales web page for the brand new guide, however don't embrace a value on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with completely different prices on each page. Be sure your sales copy is precisely the similar on every page, and includes your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This will tell you what your optimum worth is.

Finally, when you've written a e-book that solves a downside or presents a brand new method, your e book will herald both traffic and profits.
