Do this by creating a gross sales page for the brand new guide, but don't include a value on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with different prices on every page. Be sure your sales copy is strictly the same on each page, and

consists of your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum price is.
