If your book is aimed at solving one particular downside slightly than common advice, then you may charge more. Begin at the highest price the market will bear to bring in the largest income, and plan to discount the e-book a number of occasions throughout the year.

Make sure that your gross sales copy is exactly the similar on every web page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum price is.

Finally, should you've written a book that solves a drawback or presents a brand new technique, your e-book will herald each site visitors and profits. So you'll want to write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 826 guide might be to the purchasers who buy it.
