As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Make certain your gross sales copy is precisely the identical on

every page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum price is.
