that by making a gross sales page for the new ebook, but do not embrace a price on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Ensure that your sales copy is exactly the identical on each page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum price is.

In the end, in case you've written a e book that solves a problem or presents a brand new method, your book will herald each site visitors and profits.
