An effective approach for determining a worth is to send out a survey to your current customers. If these customers have already bought an ebook from you, ask for his or her opinion by way of price. Do that by making a sales page for the brand new e-book, however do not embody a price on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with completely different costs on every page. Ensure that your sales copy is precisely the same on every page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum value is.

Ultimately, for those who've written a e-book that solves a downside or presents a new approach, your book will herald both visitors and profits.
