Do this by making a sales web page for the brand new book, however don't include a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is exactly the same on each

page, and consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum price is.

In the end, for those who've written a e book that solves a problem or presents a brand new method, your guide will bring in both traffic and profits. So make sure you write that selling-handle sentence that sums up what downside your e book solves and what the benefits of your 965 ebook will probably be to the shoppers who buy it.
