Do that by making a sales page for the brand new e book, but do not include a price on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Make certain your sales copy is precisely the same on every web

page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum worth is.

Finally, in case you've written a book that solves a problem or presents a new technique, your e-book will herald each traffic and profits.
